

Exeter Riverside LC

Welcome to the latest Exeter Challenge Event, please print off and bring with you the following Welcome Letter, Venue Details and Match Schedule #.

These are also on the front page of the <http://www.exeterchallenge.co.uk/> web site.

We have the hall from 10am to 6pm, team registration will be ASAP after 10:10

Traffic:

Exeter can get very congested at times, and it can take 30 minutes to get from the A30/M5 to the venue.

Parking:

The venue has a small free car park around the back, if full, you can try the area marked Staff Only (tends to be unused 90% of the time, so not generally an issue).

Exeter City Council have put up various parking restriction notices in the car park, and they are checking. Please leave a note in your car window stating that you are at the Riverside LC All Day Volleyball Tournament.

The car park in front of the shops is now only **1 hour parking**, you can also park in the housing estate behind the venue (5 minutes' walk away). That's turn right at the traffic light from the venue, under the railway bridge, right at the next set of lights by Aldi / Range and anywhere in this area.

EV Charging:

50KW Charger at the Harvester Malthouse (100m away)

Wi-Fi:

The Riverside LC venue has free Wi-Fi (ECC-Public) and the password is: customer

Photos & Videos:

We have an event photographer who will be attending the Men's event, for his GCSE.

For everyone else, please register at the tournament desk.

In Memory:

This year's events are in memory of [Paul Reed](#) and [Nigel Weaver](#), two longtime supporters of the Exeter challenge events and Torexe VC over the last 30 years and the wider volleyball community, who both sadly passed away this season.

The winners of this year's Women's event (and all future events) will be awarded "The Nigel Weaver Trophy" and presented by family members.

NB: Teams are reminded that the trophy will remain at the venue after the presentation.

If a team does pull out, a new schedule will be issued.
